

# MOTHER HUBBARD'S CUPBOARD

**Through the rain, sleet, snow, and ice. Mother Hubbard's distributes fruits, veggies, meats, and rice!**

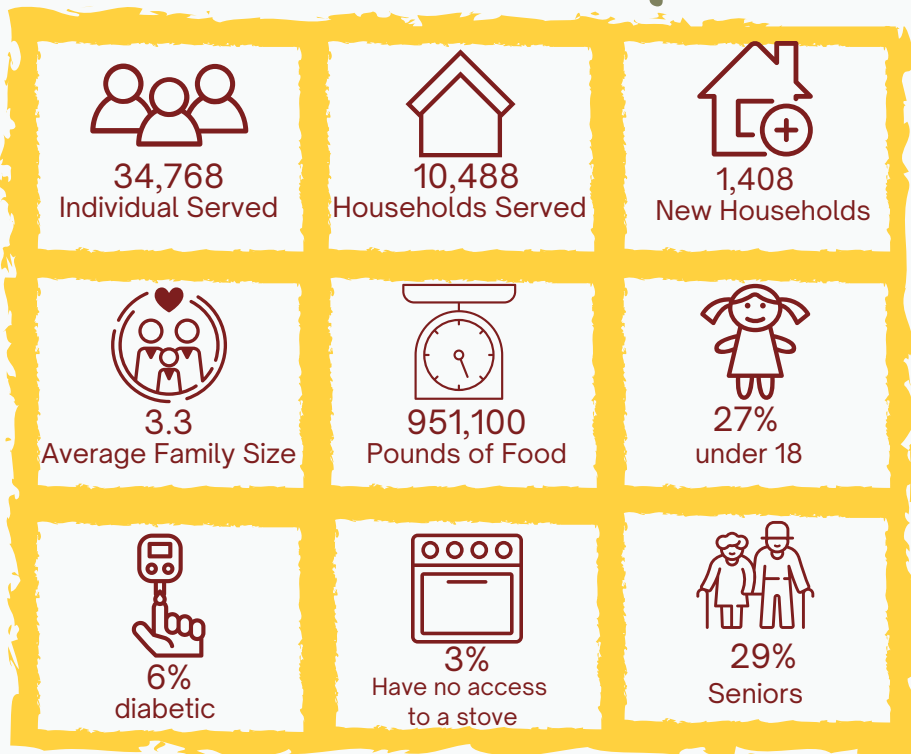

What a wackadoo start to 2022! Despite two back to back icy Saturdays in January, Mother Hubbard's remained open. Our clients were so grateful that those volunteers, who could safely make it in, showed up.

Inflation and grocery store supply issues seem to be increasing the need in our community. Last week, we served 308 households and 139 of our 2022 January clients represented new households. I've attached our 2021 statistics - and, might I add, as an all volunteer organization - WOWZA!

As many of you know, the Empty Bowls Event, held every other year, is Mother Hubbard's only official fundraiser. 2022 was supposed to be an Empty Bowl year. This past fall, we decided to put off the event for at least one more year. Fingers crossed that COVID clears out!

In the interim, if you are looking for a way to send love in the form of healthy food out to your fellow woman, man and/or child; please know we will be here. Week in and week out, no matter what new strain COVID tries out, or how Mother Nature messes with us, we will be figuring out a way to serve our neighbors.

## 2021 SUMMARY

## WAYS TO GIVE

- Donate via Paypal at [www.motherhubbardsnc.org](http://www.motherhubbardsnc.org)
- Send a check:  
**Mother Hubbard's Cupboard**
